Con Corazón Outreach Report

26th Sept 2024 – Marampaqui

One of the most important reasons we are happy to serve the poor is to see their smiles after receiving either medical or dental treatment. Having access to pharmacy, laboratory, and nursing services makes them even happier.

Older adults frequently come to our medical center in Marampaqui. Most of the diseases that prevail at these ages are joint and muscle pain. As seen in the photos, obviously the poor health condition of the mouth and teeth. By helping them, we increase their quality life. There are many reasons to be proud of doing such noble work.

Activities

Medicine, we have seen 25 patients.

Dentist, 13 patients

Laboratory, 08 lab tests were done.

Health promotion for all our patients.
