Con Corazón Outreach Report

20th December 2024 – Marampaqui

The children of Marampaqui, experienced a Christmas full of enthusiasm and excitement, as they received hot chocolate and many gifts that lit up their faces with smiles of happiness. We had never seen so much joy in their eyes as during this Christmas season. Through our Con Corazón network, we collected many toys from people in Cusco and delivered them with love. Seeing the children's reaction upon receiving their gifts was an unforgettable moment, as their eyes shone with excitement and gratitude.

In addition to the gifts, we also delivered toothbrushes to children and adults, contributing to their oral health and encouraging hygiene habits. The Marampaqui community showed immense joy upon receiving these donations, and the atmosphere was full of laughter and hugs. Christmas became a reason for unity and hope for everyone, a reminder that, even in the most remote and distant places, solidarity and love can reach, generating moments of true happiness. It was a day full of joy and gratitude, which will remain etched in the hearts of all who participated.
